V. Answer the following questions with reference to context:-

• Kush, I am glad you found the magazine. I saw some pictures of a terrarium and I thought we should make it together.

1. Who said this to whom?

Ans:- Kush's mother said this to Kush.

2. What is a terrarium?

Ans:- A terrarium is like an aquarium for plants. It is a transparent glass jar in which plants are grown.

3. Where did the speaker of these lines see the pictures of a terrarium?

Ans:- The speaker saw the pictures of a terrarium in a magazine.

VI. Answer the following:-

1. Why was Kush going to Almorá?

Ans:- Kush was going to Almorá to visit his

grandparents.

2. What activities did Kush do during his summer break?

Ans:- During his summer break, Kush read a book, baked a chocolate cake with his father and helped his mother clean the house. He also built a terrarium.

3. Where did Kush's mother find the picture of the terrarium?

Ans:- Kush's mother found the pictures of the terrarium in a magazine.

4. Describe the steps Kush and his mother followed to create the terrarium?

Ans:- \* They first bought all the material necessary to make a terrarium.

\* They put a layer of sand and pebbles at the bottom of the jar.

\* Then, they added a layer of rich, dark and fertile soil over it.

\* They dug holes in the soil and placed plants in them. Then they gently covered the roots with soil.

\* They watered the plants and added some colourful rocks to decorate it.
